ARTICLE 1. PARTIES AND DATES

- 1.1 The Articles and provisions contained herein constitute a binding agreement by and between the Palm Springs Unified School District, hereinafter referred to as the "District," and the California Teamsters Public, Professional and Medical Employees Union, Local 911, I.B.T., hereinafter referred to as "Union."
- 1.2 This Agreement is entered into pursuant to Chapter 10.7, Sections 3540-3549 of the California Government Code. This Agreement shall be effective from July 1, 2019, to June 30, 2022.

ARTICLE 2. RECOGNITION

- 2.1 The District recognizes the Union as exclusive bargaining representative for all classified employees holding those positions described in Appendix A, attached hereto and incorporated by reference as a part of this Agreement. All newly created positions with representative duties related to those positions described in Appendix A, except those that lawfully are Management, Confidential, or Supervisory, shall be assigned to the Teamsters bargaining unit. The determination of Management, Confidential, or Supervisory employees shall be made by mutual agreement between the District and the Union.
- 2.2 Excluded from this unit are all substitutes and temporary employees. The District will not fill a vacant position with temporary employees for a period in excess of six calendar months.
- 2.3 When used hereinafter, the word "employee" shall mean employees within the unit covered hereby unless otherwise stated.
- 2.4 **NEW MEMBER PACKETS.** The Union shall supply new member packets to the Personnel Department to be distributed to all new classified employees. The District will have an opportunity to review said packets prior to distribution.

ARTICLE 3. DISTRICT RIGHTS

- 3.1 **RIGHTS AND RESPONSIBILITIES.** It is agreed that the District retains all of its power of direction, management, and control to the full extent of the law. Included in these powers are the exclusive rights to: determine its organization; direct the work of its employees; determine the hours of District operations; determine the kinds and levels of services to be provided, as well as the methods and means of providing them; establish its educational policies, goals, and objectives; insure the rights and educational opportunities of students; determine staffing patterns; determine the number and kinds of personnel required; maintain the efficiency of District operations; determine District curriculum; design, build, move, or modify facilities; establish budget procedures and determine budgetary allocation; determine the methods of raising revenue; contract out work; or take action on any matter in the event of an emergency. In addition, the District retains the right to hire, classify, assign, evaluate, promote, and terminate. Further, the District agrees that employees shall not be disciplined except for just cause and in a non-discriminatory manner. It is understood that this provision does not in itself provide authority for disciplinary grievances to be processed under the terms of this Agreement. The recital in no way limits other District powers as granted by law.
- 3.2 **LIMITATIONS.** The exercise of the foregoing powers, rights, authority, duties and responsibilities by the District, the adoption of policies, rules, regulations, and practices in furtherance thereof, and the use of judgment and discretion in connection therewith, shall be limited only by the specific and express terms of this Agreement, and then only to the extent such specific and express terms conform with law.
- 3.3 **EMERGENCY MODIFICATION.** The District retains its right to amend, modify or rescind policies and practices referred to in this Agreement in cases of emergency. Emergencies shall not be declared capriciously, arbitrarily or in retaliation for the exercise of employee rights and shall be subject to the terms of this Agreement.

The Union shall have the following rights in addition to the rights contained in any other portion of this Agreement:

In the event there is a dispute as to whether or not the position is to be included within the bargaining unit, either party may petition the Public Employment Relations Board for a unit clarification. If there is a dispute as to the appropriate rate of pay, the parties shall meet and negotiate regarding the dispute.
- 4.9 **PROVISION OF DOCUMENTS.** The District will provide the Union with copies of all rules, regulations, and policies that affect employees. - 5.1.1 **FORMS.** Such deduction shall be made only upon submission of a form acceptable to the District to the designated representative of the District duly completed and executed by the employee.
- 5.1.2 **CHANGES.** The District shall not be obligated to put into effect any new, changed or discontinued deduction until the pay period following the pay period in which the request for dues deduction was made.
- 5.2 **MAINTENANCE OF MEMBERSHIP.** The parties agree that unit members covered by this Agreement who are members of the Teamsters Local 911 at the time of ratification and each unit member covered by this Agreement who becomes a member of said Union after that date, shall maintain his/her membership in the Union until thirty (30) days prior to the expiration date of this Agreement.

- 6.8.1 The Teams 1 salary schedule shall be increased by 4.5% effective July 1, 2023.
- After the 4.5% salary schedule increase is applied, unit members shall receive a one-time 0.5% off-schedule payment as compensation to accommodate, among other things, those unit members who are not eligible to participate in the health benefit programs. The one-time off-schedule payment shall be calculated on base pay only (does not include stipends, overtime, or extra duty pay) and shall be paid to all unit members in a paid status as of March 1, 2024.
- Teams 1 Salary Schedule shall receive a 0.5% restructuring on July 1, 2024.
- Retroactivity is based on base pay only (does not include stipends, overtime, or extra duty pay)
- This concludes negotiations through the 2024-25 school year. If the funded COLA for 2024-25 exceeds 2% Teams 1 shall have the right to reopen Article 6.
- 6.8.2 The classification and compensation study will be implemented as negotiated commencing on January 1, 2020. The three year implementation schedule is included as Appendices B and B.1

- 6.9.2 Each employee, after completion of ten years of regular service with the District, shall be eligible for an additional 5% longevity salary increase.
- 6.9.3 Each employee, after completion of fifteen years of regular service with the District, shall be eligible for an additional 5% longevity salary increase.
- 6.9.4 Each employee, after completion of twenty years of regular service with the District, shall be eligible for an additional 5% longevity salary increase.
- 6.9.5 Each employee, after completion of twenty-five years of regular service with the District, shall be eligible for an additional 5% longevity salary increase.
- 6.9.6 Longevity increases shall be granted in accordance with 4271.3 of the Rules and Regulations of the Classified Service.

6.10 **PERS CONTRIBUTION.**

- 6.10.1 The parties agree to comply with all rules and regulations adopted by the Public Employees Retirement System (PERS) regarding PERS contributions.

6.11. **INSURANCE COVERAGE**

6.11.1 **COMPREHENSIVE MAJOR MEDICAL COVERAGE.**

The District will provide comprehensive major medical coverage in accordance with the Teamsters Trust. The District shall provide said program to the employee, the employees' dependents and employees' domestic partner (coverage effective January 1, 2003). Domestic partner coverage is subject to the rules and regulations of Teamsters Trust and/or insurance carriers, and domestic partners must be registered with the State of California. The plans are as follows:

Anthem Blue Cross (PPO)
Anthem Blue Cross (HMO)
Kaiser (HMO)

- 6.11.2 **DENTAL COVERAGE.** The District provides Dental Plan coverage to the employee and family, at no cost to the employee.
- 6.11.3 **LIFE INSURANCE.** The District provides life insurance in the amount of \$50,000 to the employee only. Employees may purchase additional coverage at their own expense.
- 6.11.4 **VISION INSURANCE.** The District provides vision insurance to the employee and dependents.

6.11.5 **PART-TIME EMPLOYEES.** Part-time employees shall receive pro rata benefits in accordance with past practice.

6.11.6 **CHANGES IN BENEFITS.** Changes to benefits shall be subject to annual negotiation.

6.11.7 The District will contribute toward the actual cost of health and welfare benefits (Medical, Family Dental and Vision) up to a maximum of \$19,734 per eligible full-time employee per benefit year. Costs that exceed the District's contribution may be covered through plan changes (e.g., coverage changes, carrier changes, increased co-pays and/or increased deductibles), individual payroll deductions for excess premium costs and/or offsets/deductions from salary. The establishment of the maximum contribution does not constitute a waiver of the Union's right to negotiate increases to the District's contribution. Prior to the implementation of any increased payroll deductions, there shall be a grace period during the beginning of any plan year to allow the parties to meet and negotiate regarding any insurance cost increases that exceed the maximum contribution. This grace period shall extend, if necessary, from July 1 through December 31 of the plan year (currently the plan year is contiguous with the fiscal year). During the grace period, the District will cover the increased costs of benefits for the new plan year while the parties continue to negotiate. The parties agree to make a good faith effort to meet and negotiate a minimum of two times per month during the "Grace Period." If agreement is not reached by December 31, the District shall have the right to implement individual payroll deductions to recover the costs that exceed the maximum contribution during the "grace period" and costs rolling forward from that point. The payroll deductions shall be based on composite rates for the plan selected (unless the parties have agreed to a different basis) and shall be divided evenly over the remainder of the benefit year.

The District will make a one-time contribution of \$50,000 into the supplemental Retiree Benefits Pool referenced in article 6.14 of the Collective Bargaining Agreement.

6.12 **RETIREE BENEFITS.** The District shall permit employees who retire at 55 years of age or older with a minimum of ten (10) consecutive years of service to pay for health insurance through the District for retiree and spouse at current District cost for whatever health insurance coverage the District provides for its employees each year until the retiree and spouse reach 65 years of age or until they qualify for Medicare whichever occurs earlier, so long as the District coverage is not thereby jeopardized. The retiree may be required, at the option of the District, to pay the District in advance for this coverage on a monthly or a quarterly basis. This coverage is limited to retirees who retire on or after September 1, 1986. (See also Section 6.13 below)

The District will make available to eligible employees leaving their employment with the District the opportunity to continue enrollment in medical and dental benefit plans, as set forth in AB 528, found in California Education Code Section 7000. et seq. Enrollment in such plans is subject to the District's procedures pertaining to such matters, and interested employees should contact the District office for detailed procedural information.

6.13 **EARLY RETIREMENT.** Effective July 1, 2006, the District will provide an incentive for early retirement based upon the following conditions:

6.13.1 Employees must have a minimum of ten (10) years of employment in the District in a position (or positions) in the bargaining unit and be qualified to participate in the Health and Welfare benefits program.

6.13.2 Employee must be 55 years or older at the time of retirement.

6.13.3 Employee must actually retire from the District through PERS.

6.13.4 Employee will receive Single Subscriber HMO coverage (based on a tiered rate structure and the District's contribution for said coverage shall not to exceed \$5,000 per year per retiree) from the date of retirement for five (5) years or to age 65, whichever occurs first. Those eligible employees retiring at less than full-time will receive a prorated rate. The plans available to retirees shall be the same as those available to current active employees.

6.13.5 Eligible employees may purchase spouse/dependent coverage.

6.14 **SUPPLEMENTAL RETIREE MEDICAL BENEFITS POOL.** The District will establish a supplemental retirement fund to enhance post-retirement medical benefits to unit members who meet the eligibility requirements in article 6.13. Effective July 1, 2018, the pool will be funded by an annual contribution equivalent to 1% of the cost of the Teams 1 salary schedule.

6.14.1 The District and the Union will meet in March of each school year to determine a cap (the cap will be determined by the committee on an annual basis) and the amount of coverage available to each retiree. Following the March meeting, a Memorandum of Understanding will be developed to outline the available benefit coverage for the upcoming fiscal year. Retirees will be offered no more than the cost of the current benefit cap for active Teams 1 unit members.

6.14.2 In no event shall the costs of this program exceed the money available in the Fund. Should the costs of participation exceed the funds available in the Fund, the coverage for participating retirees shall be reduced on a pro-rata basis so that the costs of the benefits do not exceed the funds available to support this program.

6.14.3 The District will make available to eligible employees leaving their employment with the District the opportunity to continue enrollment in medical and dental benefit plans, as set forth in A.B. 528, found in California Education Code Section 7000, et seq. Enrollment in such plans is subject to the District's procedures pertaining to such matters, and interested employees should contact the District office for detailed procedural information.

6.15 **BENEFITS DURING SUMMER LAYOFF.** If possible, the District shall prepay insurance premiums so that employees who are in layoff status during summer recess will not lose insurance benefits to which they otherwise would have been entitled.

6.16 **SALARY PLACEMENT**

6.16.1 **NEW EMPLOYEES.** New employees (employees with no prior employment with this District) shall start on the entry-level step of the appropriate salary range, except as set forth below:

If a new employee has past work experience which was recent and similar to that for which he/she has been hired, he/she may be placed on any salary step above the entry level up to and including Step 3 of the salary range assigned, at the discretion of the Assistant Superintendent, Human Resources. Placement on Step 4 or above requires Board approval. The basis for placement shall include, but not be limited to, qualifications considerably above minimum or difficulty in recruitment for that particular position. The supervisor of the employee or candidate shall request such action and is required to furnish reasons for such placement to the Board should it be necessary.

6.17 **TUITION REIMBURSEMENT PROGRAM.** The purpose of the program is to create an opportunity for classified employees to climb within the organization. Those eligible employees who participate in the program can select one of two avenues: Earn a Bachelor's degree that can lead to candidacy to a teaching credential program that can lead to a teaching position within the district or taking coursework/specialized trade training that leads to the ability to compete for a job of higher classification within the classified ranks.

A joint committee made up of the two shop stewards, the Director of Classified Employees and the Assistant Superintendent for Human Resources (Two Teamsters Representatives and two District Representatives) will approve/reject all applications to the program. This is a first come, first serve program as there is a yearly maximum dollar amount to be used

for the sustenance of the program. The committee will determine eligibility utilizing proof of acceptance to a University/College or Trade Program, the current performance evaluation (no unsatisfactory ratings) of the employee and the appropriateness of the course work towards growing within the organization.

The tuition reimbursement program will operate on a fiscal year basis (July 1 through June 30). Permanent classified employees, who work 3 hours or more daily, shall be eligible to participate in the program.

Each fiscal year, the district will place \$20,000 on a line item to support this program. This program will automatically sunset should there be a fiscal crises in which cuts to the budget are necessary except those employees who have been pre-approved by the committee will be allowed to complete the courses they are enrolled in and receive reimbursement.

The reimbursement rate used to reimburse eligible participants will not exceed the current Per Unit Cost/Registration Fee of California State Universities. Community College fees will be approved as long as they do not exceed Cal State University per unit cost and course work is approved by the committee.

Monies will be used to reimburse eligible participants for tuition costs only. Monies will not be used to reimburse for application fees, parking fees, textbook fees, fees for materials related to coursework or fees related to retaking a course.

The Tuition Reimburse Program is voluntary and time spent on courses will not be considered as time worked for the District.

Interested participants must complete the application and hand deliver to Human Resources. The application will be receipted (date and time) and a receipt will be issued to the employee as proof of completed application.

When an employee is selected to participate in the program, in order to remain eligible for reimbursement, the following criteria must be continuously met:

- A course grade of "C" or equivalent, or higher must be attained in all course work.

- The participant must be currently employed by the District (three hour employee minimum) and the most recent evaluation must include satisfactory ratings in all areas.

- All course work must be taken at an accredited educational institution (University Program) or at a government recognized institution (Trade Program).

Failure to meet the aforementioned conditions will result in the immediate removal of the employee's participation in the program as well as future participation.

Reimbursement will be provided to an employee in a timely manner once the employee has shown proof of completion of the coursework by providing an official form indicating a course grade of "C" or above and a copy of receipt of payment.

Any employee who receives reimbursement must remain in the employ of the District for two (2) years after completion of any course for which reimbursement was made. If the employee is terminated or voluntarily terminates employment prior to the two year mark, he/she must repay the District for all reimbursed costs. Each employee selected to participate in the program will sign a contract acknowledging the conditions of the program.

In the case where an employee temporarily leaves district employment for internship purposes (i.e., student teaching) and returns to the District after 1 year, the repayment of educational reimbursement shall be waived.

This item will remain a non-grievable item.

- 9.1.2 Full-time eight (8) hours a day, five (5) days a week employees are entitled to one (1) day of paid sick leave for each month of employment.
- 9.1.3 Employees working less than full-time are entitled to pro-rata sick leave that shall be computed on the basis of hours and days worked. Unused sick leave may be accumulated without limit.
- 9.1.4 At the beginning of each fiscal year, the sick leave "bank" of the employee shall be increased by the number of days or hours of paid sick leave which he/she would normally earn in the ensuing fiscal year. An employee's sick leave "account" shall be adjusted if a change in assignment alters the amount of sick leave earnable.
- 9.1.5 Sick leave may be taken at any time, provided that new employees with probationary status may use only six (6) days of paid sick leave during their initial probationary period.
- 9.1.6 Pay for any day of sick leave shall be the same pay which the employee would have received if he/she had worked that day, except as provided by Education Code Section 45136 for part-time personnel.
- 9.1.7 In order to receive compensation while on sick leave, the employee must notify his/her supervisor of his/her absence no later than two (2) hours prior to the start of their assigned shift, unless conditions make notification impossible. The burden of proof of impossible conditions is upon the employee.

- 9.1.14 The Superintendent reserves the right, irrespective of whether or not sick leave benefits have been claimed or received, to require a health examination by competent medical authority, at District expense, of any employee whenever there is question of said employee's physical or mental ability to perform the functions of his or her position.

9.2 **CATASTROPHIC LEAVE**

- 9.2.1 To be an eligible participant of the Catastrophic Sick Leave Bank (“Bank”), a bargaining unit employee must donate two (2) days of sick leave during the open enrollment period. If the total number of days in the Bank exceeds 200 on the first day of September of any year, members who have previously donated will be

exempted from donations that year. Total withdrawal from the Bank in any one year will not exceed 160 days; however, the Committee may vote to exceed the 160 days if the need arises.

- 9.2.1.1 New members wishing to enter the Bank will be required to donate two (2) days during the open enrollment period in the year they join regardless of the total number of days in the Bank.
- 9.2.2 The sick leave day contribution will be authorized on the appropriate form and continue from year to year under the provisions addressed below until canceled by the employee.
- 9.2.3 Following the initial enrollment, an employee may only join the Bank during the annual open enrollment period during the month of September. Employees hired after September 1, will have an open enrollment period of thirty (30) days following the date of hire.
- 9.2.4 Bargaining unit employees otherwise eligible for Catastrophic Sick Leave during the initial open enrollment period may apply for a donation from the Bank without making a prior donation.

After fifteen (15) days, employees who have exhausted their sick leave but still have differential leave available are eligible for a withdrawal from the Bank. The District shall pay the employee's full pay and the Bank shall be charged one sick leave day. Differential leave runs concurrently with Catastrophic leave. The employee may use the remaining differential leave after exhausting the Catastrophic Sick Leave.
 - 9.2.7.1 Leave from this Bank may not be used for illness or disability for which the employee is receiving Workers' Compensation benefits.
 - 9.2.7.2 The maximum number of days allowed for a member of the Bank for a single catastrophic injury/illness shall not exceed forty (40) work days. If there are insufficient days in the Bank, there is no obligation to grant leave hereunder, in whole or in part. Neither the District, Union and/or

Committee shall be legally responsible if there are insufficient days in the Bank to provide a Catastrophic Sick Leave donation.

- 9.2.7.3 The committee may vote to exceed forty (40) work day limitations, but in no event will the committee approve more than eighty (80) days for any one employee.
- 9.2.8 The employee who receives leave from the Bank shall furnish all requested medical information deemed necessary by the Joint Catastrophic Sick Leave Bank Committee (to be referred to as the Committee, as defined in section 9.2.11). The Committee determines whether the injury or illness is catastrophic as well as the employee's eligibility to receive donated leave under this section. Upon request by the Committee, the employee shall submit a "Sick Leave Bank Request for Withdrawal" form for the release of medical information to determine the right to receive leave from the Bank.
- 9.2.9 An employee who wishes to donate sick leave shall submit a "Certified Sick Leave Bank Deposit" form to the Personnel Office. This form authorizes the donation to the Bank. No surrender shall go into effect until approved by the Joint Catastrophic Sick Leave Bank Committee. The decision of the Committee shall not be subject to the grievance procedure, but may be reviewed upon appeal to the committee.
- 9.2.10 An employee who has submitted a request to donate sick leave, and an employee who receives leave from the Bank, shall each execute an agreement satisfactory to the committee. The agreement will confirm understanding of each that the donation of sick leave is voluntary. The agreement will also provide that each employee agrees to indemnity and hold the Committee, the District and the Union harmless from any claims, demands, or causes of action related to the donation or to the granting or denial of any leave pursuant to this article.
- 9.2.11 No action taken by the Committee under this section shall be subject to the grievance procedure of this Agreement. The Committee shall be composed of four (4) members, two (2) of which are appointed by the District and two (2) of which are appointed by the Union. Committee members must be members of the Bank. An employee dissatisfied with any action taken or decision made by the Committee concerning the Catastrophic Leave Plan herein provided may submit a request for an appeal for reconsideration with additional supportive documentation. No request for appeal shall be considered by the Committee unless the request for appeal is submitted no later than ten (10) days after the action or decision in question. A tie vote represents a denial of the request. The Committee shall have no jurisdiction to hear any request which is not submitted with the required time frame.

9.2.11.1 The Committee shall review, in a timely manner, matters which are submitted to it. The Committee shall prepare a written report regarding the matter submitted to it.

9.2.11.2 The Committee shall be responsible for informing employees of solicitation for donations earmarked for the Bank.

9.3 **ENTITLEMENT TO OTHER SICK LEAVE**

Such days shall be counted as of, and run concurrently with, the first day of absence due to injury or illness. In the event there is differential sick leave remaining after exhaustion of accumulated sick leave then, in that event, such differential sick leave shall be paid at fifty percent (50%) of the employee's base pay (not including stipends, overtime, or extra duty pay) Unused differential sick leave does not accumulate from year to year.

9.3.2 After exhaustion of all paid leave, a permanent employee may be placed on unpaid leave upon request and with the approval of the Assistant Superintendent of Human Resources or his/her designee and Board of Education. When placed on unpaid leave, the employee shall not again become eligible for paid leave under Article 9.2 until the commencement of a new fiscal year in which he/she has rendered service.

9.4 **TRANSFER OF ACCUMULATED SICK LEAVE.** Any employee of any school district who has been an employee of that district for a period of one (1) calendar year or more and who terminates such employment for the sole purpose of accepting a position in another school district and who subsequently accepts, within one (1) year of termination of his/her former employment, such position, shall have transferred with him to the second district, the total amount of earned leave of absence for illness or injury to which he/she is entitled under Education Code Section 45191.

9.5 TERMINATION OF SICK LEAVE

9.5.1 An employee who has been placed on paid or unpaid sick leave may return to duty at any time during the leave, provided that he/she is able to resume the assigned duties and, if the leave has been for more than twenty (20) working days, provided that he/she has notified the District of his/her return at least three (3) working days in advance.

9.5.2 If at the conclusion of all sick leave and additional leave granted under these rules, the employee is still unable to assume the duties of his/her position, the following steps must be taken:

9.5.2.1 The employee may submit his/her resignation and request to be placed upon the reemployment list;

9.5.2.3 Assistant Superintendent or his/her designee shall recommend to the Board of Education to do one or more of the following:

(2) Deny the request for leave of absence without pay; and

(3) Order the employee terminated from the classified service because of being physically or mentally unable to perform the duties of his/her position.

9.5.2.4 If the employee is terminated by the Board of Education, he/she will then be placed on a layoff re-employment list for a period of thirty-nine (39) months in the same manner as though he/she were laid off for lack of work or lack of funds.

9.6 INDUSTRIAL ACCIDENT AND ILLNESS LEAVE

- 9.6.1 Leave resulting from an industrial accident or industrial illness shall be granted in accordance with the provisions of the Education Code Sections 44043 and 45192 and this Article. - 9.6.2 An employee who is absent from duty because of an illness or injury defined as an industrial accident or industrial illness under provisions of the Workers' Compensation Insurance Law, shall be granted paid industrial accident leave for each such accident or illness while receiving temporary disability benefits from Worker's Compensation provided that the illness or injury was related to the performance of his/her duties. Days absent while on paid industrial accident leave shall not be deducted from the number of days of paid sick leave to which an employee may be entitled.
- 9.6.5 If the employee is still unable to return to duty after exhausting paid industrial accident leave, the employee shall be placed on paid illness leave if he/she is eligible therefor. Accumulated illness leave will be reduced only in the amount necessary to provide a full day's wages or salary, as indicated in the employee's assignment, when added to disability benefits derived from Workers' Compensation.
- 9.6.6 After all paid illness leave has been exhausted following a paid industrial accident leave, an employee must receive pay from accrued vacation to the extent necessary to make up the employee's regular salary while receiving temporary disability insurance, without penalties, from the Workers' Compensation Insurance company.
- 9.6.7 After the expiration of all paid leave privileges, the appointing authority may place the employee on an industrial accident leave without pay. The total time of all leave benefits provided under this rule, including unpaid industrial accident leave, shall

not exceed thirty-six (36) months for any one industrial accident or industrial illness.

- 9.6.8 Upon return to service from any paid or unpaid leave resulting from an industrial accident or industrial illness, an employee shall be assigned to a position in his/her former class ahead of any employee with a lesser amount of seniority. If no vacancy exists in his/her former class, he/she may displace the most recently appointed employee in the class with less seniority. If an employee's former class has ceased to exist, the employee may be reassigned or placed on a suitable reemployment list.
- 9.6.9 An employee returning from such paid or unpaid leave of absence shall not have any loss or gain in status or benefits other than that which is specifically provided in applicable provisions of the Education Code and Personnel Rules and Regulations. - 9.6.10 When all paid or unpaid leaves of absence have been exhausted following an industrial accident or industrial illness, the employee's name shall be placed on the re-employment list for the class from which he/she was on leave for a period not to exceed thirty-nine (39) months, if not placed in another position.

Employees removed from a reemployment list under this Article may appeal the removal to the Superintendent or his/her designee.
- 9.6.12 While an employee is on any paid leave resulting from an industrial accident or illness, the employee's salary paid by the District shall not, when added to a normal temporary disability allowance award, exceed the employee's regular salary. An employee who is not permanent shall have his/her regular salary computed on the basis of the average number of hours worked each month in which the employee was in paid status during the preceding year. During all paid leaves resulting from an industrial accident or illness, the employee shall endorse to the District all wage-loss benefit checks received under State Workers' Compensation Insurance laws. The position may be filled only for the duration of the leave, and the employee so assigned must be reassigned upon completion of the leave.
- 9.11.2 The Board of Education may, for a good cause, cancel any leave of absence by giving the absent employee due notification. Such notification shall be of sufficient time to permit the employee to return, however, in no case shall the amount of time be less than three (3) days.

All vacancies in the bargaining unit shall be posted by the District for not less than six (6) working days at applicable work sites prior to being filled. Selection shall be made upon the basis of evident skills and experience of those who have applied, as determined by the District in its sole discretion. Where experience, skills and abilities are relatively equal, seniority shall prevail.
- 11.2 **DEFINITION OF TRANSFER.** Transfer shall mean a change of employee assignment that results in a change of the employee's assigned worksite without a change in classification. Transfers may either be voluntary or involuntary. The District reserves the right to make any reassignment or transfer of an employee to any position within the classification of that employee in any field in which the employee's qualifications meet District requirements. In all cases, the welfare of the employee shall be considered as secondary to the total school program as determined by the District.
- 11.3 **VOLUNTARY TRANSFERS.** A voluntary transfer is one which is sought by an employee. The filing of a request for transfer shall not jeopardize the employee's current assignment. From one classification to another, the employee shall not receive seniority credit in the new classification for service in other classifications; however, he/she shall retain such credit as seniority in the classified service. Such employees shall be given this consideration after the posting of the position vacancy. When a fully qualified employee applicant who has successfully completed the screening, testing and interviewing process has applied for a promotional vacancy, the District shall select that applicant if he/she is, within the rule of reason, as qualified for the position as every other applicant if the District fills the position. If more than one such employee applies, the employer shall select the more qualified. Only if both employees are equally well qualified shall the more senior be selected. Following completion of the interview process, the Personnel Office will attempt to notify the interviewed bargaining unit promotional applicants of the status of their applications.
- 11.5.3 **ANNIVERSARY DATE AND SALARY PLACEMENT.** The date of the effective promotion shall become the new salary anniversary date. When an employee accepts a regular promotional assignment the salary shall be adjusted to the minimum or to that step of the new range that represents not less than a five percent (5%) salary increase.
- 11.6 **INTERNAL RULES.** The District may establish and maintain its own internal rules and procedures for interviewing, screening, testing and so forth under this section, provided that such internal rules and procedures do not conflict with any provision of this Article.

Each party will alternately strike from the list until only one name remains. The order of striking will be determined by lot. The District and the Union equally will share the cost, if any, of the hearing officer. The issues to be submitted to the hearing officer are as follows: Is the proposed discipline for just cause, or was (employee's name) disciplined for just cause (whichever is appropriate). If not to what remedy, if any, is (employee's name) entitled?

**ARTICLE 15. LAYOFF, REDUCTION IN HOURS IN
LIEU OF LAYOFF AND REEMPLOYMENT RIGHTS**

- 15.1 **REASONS.** Classified employees shall be subject to layoff for lack of work or lack of funds. Whenever a classified employee is laid off, the order of layoff within the class shall be determined by the length of service.
- 15.1.1 **LENGTH OF SERVICE.** For purposes of this rule, “length of service” means the date of hire.
- 15.1.2 **ORDER OF LAYOFF.** The employee who has been employed the shortest time in the classification, shall be laid off first. Reemployment shall be in the reverse order of layoff.
- 15.2 **DEFINITIONS**
- 15.2.1 **RETENTION LISTS.** Classified employees, probationary and permanent, listed in order of seniority and by class and classification. The most senior employee is to be listed first.
- 15.2.2 **SENIORITY.** The length of time of uninterrupted service of an employee in the classified service of the District, except that employees who are reinstated under the Education Code guidelines or contractual procedures as well as employees on approved paid or unpaid leaves shall not be considered as an interruption/break in service.
- 15.3 **REEMPLOYMENT.** Persons laid off because of lack of work or lack of funds are eligible for reemployment for a period of thirty-nine (39) months and shall be reemployed in preference to new applicants.
- 15.3.1 **VOLUNTARY DEMOTIONS OR REDUCTIONS.** Employees who take voluntary demotions or voluntary reductions in assigned time in lieu of layoff or to remain in their present positions rather than be reclassified or reassigned, shall be granted the same rights as persons laid off and shall retain eligibility to be considered for reemployment for an additional period of up to twenty-four (24) months, provided that the same tests of fitness under which they qualified for appointment to the class shall still apply.

15.3.2 **OFFERS.** Offers of reemployment shall be made in reverse order of layoff as vacancies occur in classifications for which the laid-off employee is qualified. Individuals on a reemployment list shall have three (3) days to respond to a verbal offer of reemployment which, if declined, will be followed by a written verification of the refusal, or five (5) days to respond to a written offer sent by certified mail, beginning with the day it is deposited in the U.S. Mail to the most recent address supplied to the District by the employee. Failure to respond within the time specified, two (2) refusals of employment, or a failure to return to work on the designated date shall cause the individual's name to be permanently removed from the reemployment list. It is understood that an employee cannot exercise one refusal and then immediately demand a position different than the position offered if more than one position is available at the time an offer of employment is made. An employee who elects separation in lieu of displacement or who voluntarily accepts transfer to a vacant position in another classification without exercising displacement rights, shall maintain his/her reemployment rights under this Article.

15.4 **RETENTION LISTS.** The Assistant Superintendent, Human Resources shall establish and maintain retention lists for all classifications and classes. These lists are to be updated from time to time to ensure their accuracy and availability.

15.5 **PROCEDURE FOR LAYOFF**

15.5.1 When, as a result of the expiration of a specially funded program, pursuant to Education Code 45117 (g), classified positions are eliminated the employees to be laid off shall be given written notice informing them of their layoff informing them of their layoff, of their displacement rights, if any, and of their reemployment rights. Such notice shall be given not less than sixty (60) days prior to the effective date of their layoff. Employees subject to the layoff pursuant to this section are not entitled to a hearing before an Administrative Law Judge.

15.5.2 For those employees who are entitled to request a hearing under Education Code section 45117, they must be notified no later than March 15 that their services will not be required for the following school year due to a lack of work or lack of funds.

15.5.3 When the District provides an employee with notice of their displacement rights, if any, as required by Section 45117(a) of the Education Code, such notice shall contain a form which identifies an employee's displacement/bumping rights, if any, and provides the employee days to respond in writing as to whether the employee will exercise their bumping rights. If an employee does not exercise their displacement rights within that window of time, they will be subject to layoff.

- 15.5.4 Nothing herein provided shall preclude a layoff for lack of funds in the event of an actual and existing financial inability to pay salaries of classified employees, nor layoff for lack of work resulting from causes not foreseeable or preventable by the governing board, without the notice required by subsections 15.5.1 or 15.5.2 hereof.
- 15.5.5 **DISPLACEMENT RIGHTS.** An employee laid off from his/her present classification may displace an employee into the next equal or lower classification in which the employee has greater seniority considering the employee's seniority in that classification and any higher classification in which the employee has served. The employee being displaced has the same seniority displacement rights and may exercise them in accordance with these rules as though he/she was being laid off.
- 15.5.6 Any employee going to a lower classification pursuant to this rule shall receive the maximum of the salary range of the lower classification, provided that such salary is not greater than the salary received in the rehire position.
- 15.5.7 In all cases where an employee elects to exercise his/her displacement rights and move to a lower classification in lieu of layoff, his/her name shall be placed on a layoff list for the position from which he/she moved.
- 15.5.8 Employees on layoff lists shall be eligible to compete in promotional or open and promotional examinations for which they qualify.
- 15.5.9 **Notice to the Union of Layoff or Reduction in Hours in Lieu of Layoff.** Layoffs of bargaining unit members shall be subject to written notice to the Union at least two (2) calendar weeks prior to consideration of the proposed action by the Board of Education. Following the request of the Union within such two (2) week period, the parties shall meet, prior to Board action, to discuss effects of layoffs or alternatives to the reduction in hours.
- 15.6 **REDUCTION IN HOURS.** Reduction in hours of positions and the voluntary reduction in hours of employees in lieu of layoff thus affected shall be treated in the same manner as a layoff under this Agreement, including giving notice under Section 15.5.10.
- 15.7 **SENIORITY.** A bargaining unit seniority list will be provided to the Union annually during the month of March as well as an updated seniority list of affected employees facing layoff or reduction in hours to be provided during the requested meeting outlined in 15.5.10. Any dispute over computation of seniority or displacement rights shall be subject to the grievance procedures contained in Article 16. The fifteen (15) day time period for filing said grievance shall start when the affected employee(s) is served the notice of layoff. The District shall include in the notice the following phrase "you have fifteen (15) days from

the service of this notice to file a grievance with regard to the computation of your seniority hours."

- 15.8 **WAIVER.** The adoption of these procedures represents a complete waiver of any and all further rights of the Union and/or employees to negotiate concerning layoffs, reduction in hours in lieu of layoff, reduction in hours, or the effects of any of these actions.

ARTICLE 16. GRIEVANCE PROCEDURE

16.1 **DEFINITION.** A grievance shall mean a written complaint by an employee covered hereby or by the Union that there has been an alleged violation, misinterpretation or misapplication of a provision of this Agreement. Hereinafter, the term "grievant" shall include either the employee or the Union, whichever is applicable.

16.2 GENERAL PROVISIONS

16.2.1 Every employee shall have the right to present grievances in accordance with these procedures with or without representation. Nothing contained in this Article shall be construed to prevent any individual employee from discussing a problem with an agent of the District and having it resolved without intervention or representation by Union representatives.

16.2.2 The failure of the grievant or the grievant's representative to act within the prescribed time limit stated in this Article will act as a bar to any further appeal. The failure of the District or its agent to give a decision within the time limits shall permit the grievant to proceed to the next step.

16.2.3 In any instance where the Union is not participating in a grievance, the District shall not agree to a resolution of the grievance until the Union has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.

16.2.4 Hearings and conferences under this procedure shall be conducted at a time and place which will afford an opportunity for all persons entitled to be present to attend. When such hearings and conferences are held at the request of the District during the regular workday, all employees whose presence is required shall be released to attend such hearing or conference. This provision shall apply only to the grievant and his/her representative if that representative is an employee. The District will not release without loss of pay more than one (1) representative per grievance.

16.3 LEVELS IN THE GRIEVANCE PROCEDURE

16.3.1 **FIRST LEVEL.** Within ten (10) days from the date of knowledge of the occurrence of the event giving rise to the grievance, the grievant must file in writing with grievant's immediate supervisor a report of grievance. This report must describe the event-giving rise to the grievance, must list the specific provisions of this Agreement which were allegedly violated, and must state the remedy sought by the grievant. The grievant must sign the report of grievance. The grievant's

immediate supervisor must respond with a written decision within ten (10) school days following the receipt of the grievant's report of grievance.
