Current Attendance Boundary of Cathedral City Elementary School

Boundary Description:

The northern boundary for this area runs east along Mesquite Avenue/Dinah Shore Drive from the point where Mesquite Avenue intersects Crossley Road and travels to the intersection with Wishing Well Trail. The boundary then travels north along Wishing Well Trail to the intersection with 33rd Avenue and then travels east along 33rd Avenue to a point approximately 125 feet west of Desert Vista Road (the lot line between homes located on Aurora Vista Road and Desert Vista Road). The boundary then travels north along this line to the intersection with Ramon Road and then travels east on Ramon Road. The eastern boundary line starts at the intersection of Ramon Road and Date Palm Drive and travels south along Date Palm Drive to the intersection with Dinah Shore Drive. The boundary then travels east along Dinah Shore Drive to a point approximately 85 feet east of Denise Way. The boundary then travels south along this line until it reaches Encanto Court and then runs along the northern and eastern edges of the Mountain View Villas until it reaches the intersection with Gerald Ford Drive. The southern boundary travels west along Gerald Ford from that point to the intersection with Date Palm Drive and then travels south along Date Palm Drive until the intersection with Palm Canyon Drive. The boundary line then runs west along Palm Canyon Drive until the intersection with Golf Club Drive. The western boundary runs north along Golf Club Drive/Crossley Road from that intersection until it crosses Mesquite Avenue.
